Animation Options

Animation Style One

Simple movement - Ideal for Social media regular updates. Images and text can be animated in and out.

Animation Style Two

Images and text have simple animation added but are not part of a larger narrative, but are used to make a more visually engaging piece. Ideal for social media campaigns and digital billboards.

Animation Style Three

Moving text and full animation. Used to tell a narrative or describe a product/service. Requires storyboarding and scripting. Ideal for explainer videos, software demonstrations and induction videos.
